Prices are without VAT. (21%)

In the case of the SMS reply option, a surcharge of EUR 0.004 per reply will be added to the basic SMS price..

General sender: you can select a general name as the sender (GoSMS-test, GoSMS-info, GoSMS.info).

Custom sender: create your own unique sender name (max 11 characters without accents, including spaces) - for example "myshoes.eu". We recommend that you always activate the Custom sender name for trouble-free sending of SMS messages.

Phone number - your own: you will be permanently assigned one specific phone number.
